

ERROR PROOF DOCUMENT

To be sure that you are going to steal the show with your own design, use these file to check if your design is totally error proof.

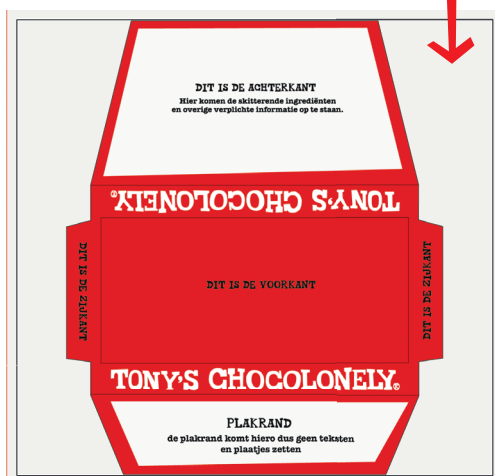

so this is a big no (there are still outlines on it)

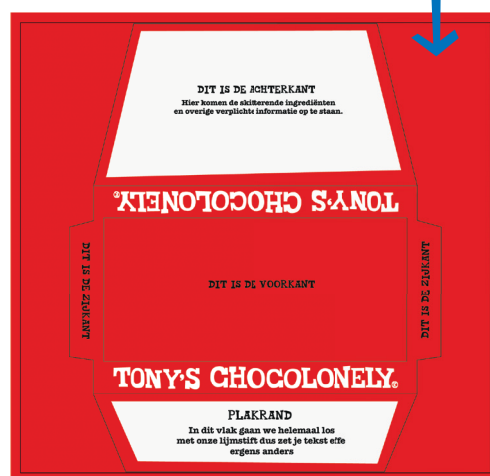

this is perfect!

nice try but no, the total background must be filled

love this

no, no, no the text is placed
incorrectly

yeaah baby!

nope I still see print marks

you've got it!
