## STANDARD INSTRUCTIONS

(can be personalised)

40 x 55 mm

## TICKET ATTACHED TO THE BAG

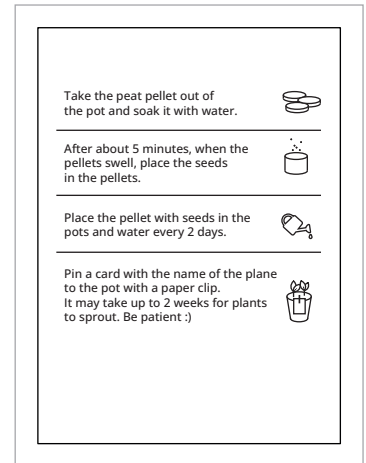

40 x 65 mm

FRONT

BACK

Chili

PLANT ME :)

Take the peat pellet out of the pot and soak it with water.

After about 5 minutes, when the pellets swell, place the seeds in the pellets.

Place the pellet with seeds in the pots and water every 2 days.

Pin a card with the name of the plant to the pot with a paper clip. It may take up to 2 weeks for plants to sprout. Be patient :)
